### DESCRIPTION

#### For car shelter

These are replacement bolts for your car shelter. With time you might lose a few, strip a couple or even wind up with some rusted ones. This is a kit with a zinc-plated carriage bolts and assorted wing nuts. All come in a re-closable pack for your convenience. It's always a good thing to have a couple bolts and nuts on hand. We have different lengths to suit all types of car shelters, whether single or double-space shelters.
