### DESCRIPTION

These metal screws offer great performance whether you're on the job or completing projects around your home. They are constructed with 18-8 stainless steel for durability, performance, and rust resistance. The screws are easily secured with a square driver and have a flat head that allows for flush installation. With their sharp Type A point and self-tapping thread, the screws can be used in wood, plastic, metal, and other applications without the need for pre-drilling.
