

Zinc Plated Metal Screw, Hex Head With Washer, Self-Tapping Thread, Self-Drilling Point

Product # HTZ812VP

Screw Size 8

Length 1/2 in

Head Size 6.35 mm (1/4")

Drive Size 1/4" (Hex)

Thread Count (Pitch/TPI) 18

Packaging format Box of 100

DESCRIPTION

Zinc plated self-tapping (TEK) screw

These TEK screws are designed for power and convenience. Constructed with steel with a zinc-plated coating, the screws deliver enhanced durability and smooth performance. They feature a hex head with washer for a great hold and grip. Ideal for ventilation duct applications, the metal screws have a self-tapping thread that offers efficient drilling and fastening performance. A self-drilling point eliminates the need for drilling a pilot hole to save you time and effort.
