

## Slideez Lubricant

**Product #** M7501205

### DESCRIPTION

Lubricates wood, metal, or plastic. Thanks to a semi-paste consistency, lubrication will last much longer. Drawers, windows, and doors all work more easily with an application of Slideez Lubricant. Great for starting wood screws and prevents binding of all moving parts. This product will not stain or cake up and is non-flammable. Does not contain silicones.
