

Panel Board Nail

Product # PBNBW1MR

Length - Overall Dimensions 1 in

Material Walnut

Packaging format Blister of 184 units

DESCRIPTION

These panel board nails are an excellent choice for completing your paneling and molding projects. A ring shank ensures these nails deliver superior holding performance. They have a painted ash finish for easy concealment.

APPLICATION

Compatible with panel boards, plastic, and thin aluminum.

DISCLAIMER

Please note that the quantities for products ending in MR are approximated and may vary from one package to the next since the product is sold by weight of 2.82 oz (80 g).
