Thread Count (Pitch/TPI) 11

Packaging format Box of 2500

DESCRIPTION

These metal screws offer great performance whether you're on the job or completing projects around your home. They are constructed with zinc-plated steel for durability and smooth performance. The screws are secured with a square driver and have a pan head for easy installation. With their sharp Type A point and self-tapping thread, the screws can be used in wood, plastic, metal, and other applications without the need for pre-drilling.
