DESCRIPTION

Holds up to 30 lb in drywall and 100 lb in stud.

The Bear Claw Hanger works with D-rings, keyhole, saw-tooth or wire for simple mirror and picture hanging solutions. It installs with a handheld Phillips screwdriver. No pilot hole is required because it has a self-drilling tip for easy installation in drywall, lath, plaster or wood studs.

ADVANTAGES AND BENEFITS

Works with a wide variety of hangers including D-rings, keyhole, sawtooth or wire for simple mirrors, and picture hanging solutions. No pilot hole needed thanks to self-tapping design.
