

## Black Zinc Metal Screw, Pan Head, Square Drive, Self-Tapping Thread, Type A Point

### Packaging format

Blister of 18 units

Box of 100

### DESCRIPTION

These metal screws are a great choice for use in fascia, aluminum soffit, and vinyl siding projects. The screws are constructed with zinc-plated steel for durability and smooth performance, with a black finish that blends in easily with any surroundings. They are secured with a square driver and have a pan head for easy installation. With their sharp Type A point and self-tapping thread, the screws can be used without the need for pre-drilling.
